TAC Group Leaders (GLs) and Resident Advisors (RAs)

Dr. Sidney Chang (ss2chang@attbi.com)

Dr. Chang received his M.D. degree from National Taiwan University Medical College. After that, he came to United State for further training in Psychiatry. He is currently working at VA Medical Center and on the faculty at Harvard Medical School. In addition to his medical career, he has been very active in the Taiwanese American Community. Dr. Chang has been interested in and instrumental in promoting the identity of Second Generation Taiwanese Americans. He was the President of Taiwanese American Foundation (TAF) in Chicago and in charge of TAF Summer Conference in 1985. He has also twice been the program coordinator of the Youth Program at the Taiwanese American Conference/East Coast in 1986 and 1991.

Mr. Allen Shu (allenshu@alum.mit.edu)

Allen was born in Chicago, Illinois, has resided in many places in the U.S. before settling in Glastonbury, CT, at the age of 4. After going through the public school system in Glastonbury, he ended up at the Massachusetts Institute of Technology, receiving an S.B. in Computer Science and Engineering, an S.B. in Management Science/Finance (Sloan School), and an M.Eng. in Electrical Engineering and Computer Science. After leaving MIT, Allen worked as a business and high-tech consultant, doing a considerable amount of travel. In his free time, he enjoys Chinese martial arts, wine tasting, rock climbing, shooting pool, assorted racket sports, watching movies, and reading. Allen currently resides in Boston, MA.

Mr. Bobby Kar-Way Teng (bt2010@columbia.edu)

Bobby was born in Tainan, Taiwan, and came to the United States at the age of 3. Besides spending the majority of his childhood in Los Angeles, he has also lived in Japan, Singapore, and Canada. He has studied aboard at Waseda University in Tokyo, and is currently pursuing his B.A. in Political Science at Columbia University. Well involved in the college community, Bobby is organizing the ITASA 2003 East Coast Conference as the Conference Chair.

Mr. David Yang (dave_yang@hotmail.com)

Dave has been developing and directing programs for Taiwanese American youths of all ages for several years: currently, working as co-chair of programs at ITASA; counselor and Program Director of TAC/EC's Junior/Junior High programs, and as Junior counselor and Junior High Advisor at TAF. He has been a guest speaker at TAC/EC 2001 and many ITASA conferences, including those held at Michigan, Harvard, UPenn, and University of Illinois. Dave is currently working on a Masters of Education degree in Sociology and Education at Teachers College, Columbia University, and also teaches preschool in Manhattan.

Mr. Erik Litse Lu (elu@sas.upenn.edu)

Erik will be a senior, double majoring in Biology and Asian & Middle Eastern Studies at the University of Pennsylvania. This will be his third TAC, and he has helped to coordinate previous ITASAs and was one of the infamous "bowl cut" professors from last year.

Ms. Joanne Huang (jojohuang@aol.com)

Joanne was born in Taipei, Taiwan, and came to America in 1991. She obtained her MBA from Boston College and Master in Computer Science degree from Boston University. She has 3 years of mutual funds and 6 years of financial software development experience. She currently works as a Project Leader at State Street Global Advisors in Quincy, MA. She currently lives in Quincy, MA.

Mrs. Lily Angelica Tan

Lily was born in Texas and spent a brief time in Taiwan with her grandparents. She came to New England and attended elementary through high school in the suburbs of Boston. Lily obtained my Bachelors of Architecture from Syracuse University, NY. She has worked as the Laboratory Manager of Research and Radiation Safety Officer (RSO) at Lexigen Pharmaceuticals in Lexington, MA, a subsidiary of Merck.

Mr. Shaun Su (shaun.su@juno.com)

Shaun came to the United States from Tainan, Taiwan, when he was ten years old and grew up in New York City. He holds a B.A. in Economics and M.S. in Biostatistics from New York University. Shaun is currently working on his MBA degree and maintains a strong interest in business development. Thanks to his MBA curriculum, Shaun is a frequent presenter and has benefited from copious notes taken of numerous presentations.

Ms. Teh-yi Liu (tehyi.liu@cox.net)

Teh-yi was born in Chiayee, Taiwan, and came to America at three years old. She grew up in Puerto Rico and Connecticut. She obtained her B.S. in Electrical Engineering with a concentration in Instrumentations and a M.S. in Biomedical Engineering from the University of Connecticut. She has over 8 years of software engineering experience in embedded control systems in the aerospace industry with Hamilton Sundstrand in both fuel controls and environmental control systems. She mentors high school students in a F.I.R.S.T. robotics program that builds a new robot every year for regional and national competitions. She currently lives in South Windsor, CT.

Mr. Timothy W Suen (tsuen@MIT.EDU)

Tim grew up in University Heights, Ohio, a small suburb of Cleveland. He is returning to TAC this summer after attending the conference last year and helping to plan ITASA, this coming fall. In his spare time he enjoys photography, taekwondo, computers, and downing orange juice in large volumes. He will be a sophomore at MIT this fall.

Mr. Tommy Tan (tan_tommy@yahoo.com or 781-425-6451)

Tommy was born in Taipei, Taiwan, and came to America at five years old. He grew up in Queens, New York, attended NY public schools up through high school. He obtained his B.S. in Economics from the Wharton Undergraduate School, at the University of Pennsylvania, with a concentration in Operations and Information Management. He has lead the New England Chapter of the Society Of Taiwanese Americans (SOTA-NE) since August 1995. Tommy has over 8 years of high-tech and securities-trading consulting experience and currently works as an implementation Manager at Charles River Development in Burlington, MA. He currently lives in Newton, MA.

Ms. Vanessa N. Lee (Vanessa.N.Lee@Dartmouth.EDU)

Vanessa is a recent graduate of Dartmouth College, with a major in environmental studies and a minor in art history. She is pursuing her passion in landscape architecture, as well as interests in graphic design, Asian-American activism, plays, and literature. Vanessa will be working with an environmental engineering firm and join a predominantly Asian-American Christian Missions trip to Tijuana, Mexico, orphanage this summer.

Guest Presenters and Vendors

Ms. Chuan-Chuan Chen - one of three teachers courtesy of the Taiwanese Government

Ms. Chen is an Elementary School Teacher and has 26 yrs experience. She is Certified on Chinese Knotting and acts as a Chinese knotting teacher at Nankang University. She is skilled in teaching children on playdough making, cutting, and molding.

Ms. Chun-Ying Liu - one of three teachers courtesy of the Taiwanese Government

Ms. Liu has traveled extensively to teach and perform dances, including destinations such as San Jose, Japan, Paraguay (1999), and Hungary. She is a High School Dance instructor and is skilled in many forms of Taiwanese Dances, e.g. Aboriginal, Farmer, and the Tea Leaves Dance. She was honored with the 1997 Award from the Department of Education for Creative Dancing.

Mr. Chung-Yu Chen - one of three talent teachers courtesy of the Taiwanese Government

Second Generation or English Program

Mr. Chen is a Martial Arts coach and holds a PhD in Physical Education. He has written a book on a High School Marital Arts class. He is skilled in different styles of boxing & wrestling, Chinese top spinning, sword fighting, and Chinese Kung-Fu. Mr. Chen works at the Physical Education College in Taiwan and teaches bio-dynamics and athletic fitness.

DJ Steve Spinelli (djspinelli@yahoo.com)

Steve was born and brought up just North of Boston and started out as a DJ performing at house parties and school dances in the early 80's and eventually became a well known club DJ in the Boston area. Steve formed DJ Spinelli & Associated in 1985 and has been the driving force behind the company's continued success. He can be found as the resident DJ for Boston's Matrix nightclub on Fridays.
